

TENANT SCREENING PRICE SHEET

A tool designed to streamline the rental process, reduce risks, and give you the confidence you need before signing the lease agreement.

Keyhole Tenant Screening is a tool that gives you an overview of any potential payment remarks before signing the lease agreement. This can be used independently of our other products, giving you flexibility in your daily operations.

Keyhole Tenant Screening performs credit checks on private tenants across multiple registers, enabling you to make informed decisions and minimize the risks associated with entering rental agreements.

This provides the confidence and peace of mind you need to ensure a successful rental business."

TENANT SCREENING TERMS AND CONDITIONS

Billing and Payment

Tenant Screening is invoiced monthly in arrears for "Pay as you go" and in advance for prepaid bundles. Payment terms are net 14 days.

Delivery Terms

Tenant Screening is available without prior agreement.

If the solution is used without purchasing a prepaid bundle or entering another written agreement, billing will automatically follow "Pay as you go" prices according to the current price sheet.

Terms

By using Keyhole Tenant Screening, you agree that:

- *A completed check cannot be credited.*
- *The system performs a new check each time, so two consecutive checks on the same personal ID number will be billed as two separate checks.*
- *The result of a check will be available for 7 days, after which it will be removed from the list.*

The result of a check can be:

- *A list of payment remarks.*
- *No payment remarks.*
- *Debt to Keyhole that is not yet a registered payment remark.*
- *Check cannot be performed because the person has name and address protection.*

Processing of Personal Data

Keyhole processes personal data in full compliance with the Data Protection Act and respects the rights of the data subject in this regard. For more information, please see our Privacy Policy.
